Our Facility

APEX Purcellville is a 2500 square foot facility which provides quality gymnastics and movement instruction for children ages 18 months to 18 years. Our facility houses a separate gym area equipped with a spring floor, a 30 foot tumbling trampoline, balance beam, bars and a tumbling strip. We have a separate waiting area where you can view your child's class.

RULES AND POLICIES

All students must pay an annual registration fee. This fee covers each student's insurance and lasts from September 1, 2009, through August 31, 2010. Registration fees are \$50 in September and are pro-rated throughout the year based on enrollment date.

Tuition is due the first of the month (not the first class of the month). Students who are registered and enrolled are automatically transferred to the next month's class roster.

Any payment received after the first of the month is considered late. All late payments will be assessed a 10% billing fee. There will be no tuition reductions, pro-rations or refunds for any reasons.

Anyone withdrawing from class needs to give a 30-day notice. Notice is required by the first of the month with your final payment for the last month attending.

Each student will be allowed 5 make-ups per year. Students may only do scheduled make-ups in similar, unfilled classes in the Purcellville facility.
