Custom Made Grips

We offer twice as many sizes than other companies, allowing for a more precise fit.

Tian Zhang has been making custom grips to fit individual gymnasts for over 20 years. Each hand is sized and measured for accuracy. Finger holes are specifically placed for proper alignment and comfort.

Have been used by 10,000's of gymnasts in Japan, China, Australia, Netherlands, Canada and U.S.A

- Grips angled to follow natural slant of your hands, eliminating problem of grips shifting off center
- Uniquely shaped to each hand, left and right
- Long life durability
- High quality heavy-duty leather
- Various thicknesses for different sizes
- Finger hole comfort (no finger cutting)
- Options include: Single or Double Buckle and Velcro, Men and Women
- Grips already molded to have pocket. This means grips can be broken in and ready to use much faster.
- Affordable

"I've been training with Tian Zhang grips. They are the best. I have never even had to break them in. I highly recommend them." — Brittany Ricardo, Docksiders Gym
